

RESOURCES AND PRACTICES

Section A: Please list the tools and equipment needed to accomplish the following activities.

HUNTING

Possible Tools/Equipment Required

WATER COLLECTION

Possible Tools/Equipment Required

GATHERING

Possible Tools/Equipment Required

FISHING

Possible Tools/Equipment Required

FIRE MAKING

Possible Tools/Equipment Required

CLOTHING CONSTRUCTION

Possible Tools/Equipment Required

BUILDING SHELTER

Possible Tools/Equipment Required

Section B: Please list any materials you could gain from the following resources. Include any possible uses of this material. For example, animal → hide → blanket.

	<u>ANIMALS</u>	<u>CHERT (STONE)</u>	<u>TREES</u>
Materials Gained:		CHERT	
Uses:			

	<u>BONE</u>	<u>MISC. PLANTS</u>
Materials Gained:	BONE	
Uses:		

Section C: The following objects were commonly used by the Passamaquoddy from approximately 2,000 years ago until Contact (1500 AD). Use the information found at each *Material Station* to discover which materials (i.e., Ash, Spruce) could be used to create the items below and what part of that material was used (i.e., Ash Roots, Spruce Branches).

HUNTING

Bow and Arrow

Arrow Shaft

Fletching

Arrowhead

Bow

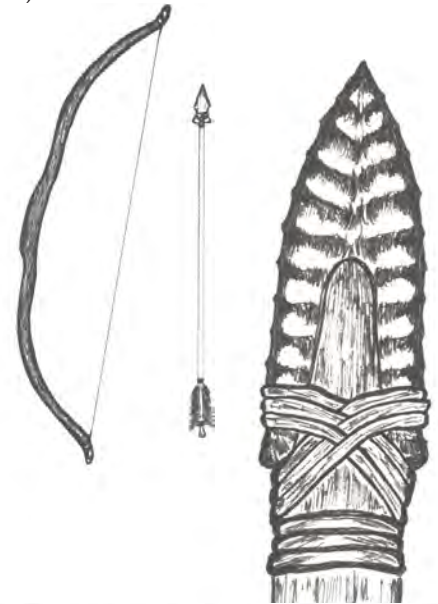

Lance / Spear

Spear Shaft

Spearhead

Hafting

Bow String

FISHING

Spear / Harpoon

Spearhead

Wooden Shaft

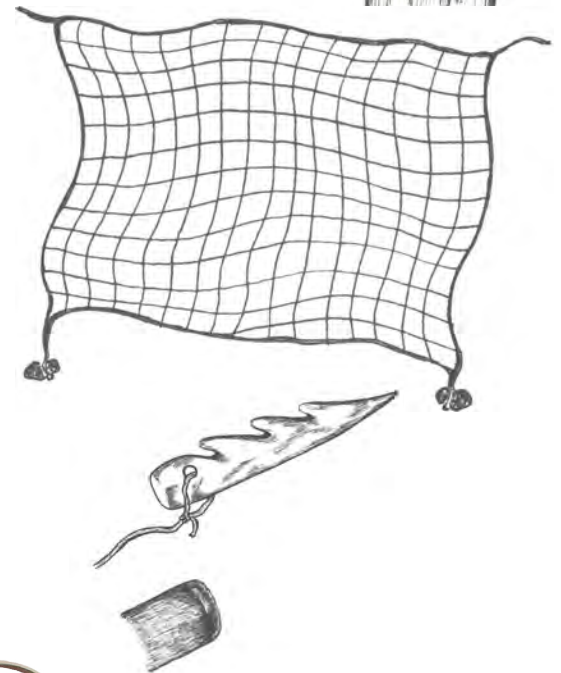

Leash

Hafting

Nets

Netting

Plummets (Weights)

GATHERING

Basket

Basket Material

Additional Material (Decoration)

WATER COLLECTION

Birchbark Container

Waterproof material

Cordage

Waterproof material for seams
